

PRODUCT DESCRIPTION

Deep cleaner is an effective high performance cleaner, helping to remove stubborn greasy stains and heavy soiling. This powerful cleaner can be used on all areas externally on any type of paving or concrete, as well as internally on porcelain and ceramic tiles where a normal strength cleaner is not enough.

Formulated with biodegradable components and degreasing agents, giving you fast and long lasting results.

CHEMICAL COMPOSITION

Deep Cleaner is a blend of surface active chemicals.

CHARACTERISTICS

- Biodegradable
- Fast acting
- Concentrated
- Easy to use
- Waterborne product
- Does not alter the treated surface

PACKAGING

5 litre (1.69floz) container.

TECHNICAL DATA

Physical State at 20°C	Liquid
Appearance	Clear, colourless
Odour	Mild characteristic odour
pH	13 ± 0.5
Boiling Point	100°C
Density	1.045 Kg/L
Solubility in water	Fully soluble
Flash Point	N/A
VOC	0 g/l

COVERAGE

1 Litre = 5m² to 15m²
(33.8floz = 53ft² to 161ft²)

The figures indicated are approximate and should only be used as a general guideline.

STORAGE

Store in the original unopened container in a clean, dry area and ideally at 5°C - 25°C (41°F - 77°F). Use within 24 months from the date of manufacture.

CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

APPLICATION

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory.

Shake the container well before use.

Deep Cleaner can be used neat on heavy contamination or can be diluted by adding 1 part Deep Cleaner with up to 20 parts water depending on the staining to be removed.

Use a low pressure pump sprayer or brush. Apply the Deep Cleaner liberally and agitate with a stiff brush and allow to act for 1-2 minutes for lightly soiled surfaces or 5-10 minutes for heavily soiled surfaces.

For removing deep penetrating lubricating oil and stains, it may be necessary to apply the product twice allowing 10 minutes between applications.

Whilst the surface is still wet, thoroughly rinse ensuring all residue is removed.

For optimum results hot water can be used.

RECOMMENDATIONS

Do not apply during rain, frost, or when surface and air temp is <5°C and >25°C (<41° and >77°F).

Do not mix with any other product.

Do not use on any metallic surfaces.

HEALTH AND SAFETY

Causes skin irritation.

Causes serious eye damage.

Keep out of reach of children.

Do not get in eyes, on skin, or on clothing.

Wear protective gloves/protective clothing/eye protection/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Get medical advice/attention if you feel unwell.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Get medical advice/attention.

Contains -

Less than 5% anionic surfactants.

Less than 5% nonionic surfactants

Less than 2% Sodium Hydroxide

WARNING

Before use, please read the safety data sheet available on www.pavetuf.com
