

PRODUCT DESCRIPTION

Green off is a high performance, long lasting formula which removes organic growths from both sealed and unsealed surfaces making cleaning your paved areas easy to maintain taking away the need for the use of high pressure washers.

Green off will not affect the colour of the treated area and is fast working and easy to apply. It is particularly effective on areas where algae, moss, fungus and leaf staining occurs.

CHARACTERISTICS

- Green-off Cleaner does not damage the treated surface, unlike acidic cleaning products
- Fast acting
- Easy to use
- High penetrating power
- Waterborne product
- Contains no acid
- Brightens most surfaces
- Non-VOC (Volatile Organic Compound)

PACKAGING

5 litre (169floz) container.

TECHNICAL DATA

Physical State at 20°C	Liquid
Appearance	Clear/Pale Yellow
Odour	Characteristic
pH	11.50
Boiling Point	100 °C
VOC	0g/L
Density	1.08kg/L
Solubility in water	fully soluble
Flash Point	N/A

STORAGE

Store in the original unopened container in a clean, dry area and ideally at 5°C - 25°C (41°F - 77°F). Use within 24 months from the date of manufacture.

COVERAGE

**1 Litre = 3m² to 7m²
(33.8floz = 32ft² to 75ft²)**

The figures indicated are approximate and should only be used as a general guideline.

CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

APPLICATION

Shake the container well before use.

Do not dilute or mix with other products.

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory.

Firstly, sweep off any excess fungus or moss before applying the Green-off Cleaner. Limited results on blackspot and lichen, more than one application may be required.

Generously apply to the surface using a low pressure pump sprayer or brush and agitate.

Leave ideally overnight, which is the preferred method, or at least for a minimum of 60 minutes. Allow for more time in cold weather < 10 °C (50°F)

Rinse with water and sweep away if necessary.

RECOMMENDATIONS

Do not apply on a metallic surface.

Care should be taken around plants, shrubs or grass.

Do not apply during rain, frost or when surface and air temp is < 5 °C & > 25 °C (< 41°F & > 77°F).

HEALTH AND SAFETY

Contact with acids liberates toxic gas.

Causes severe skin burns and eye damage.

Very toxic to aquatic life.

Keep out of reach of children.

Do not breathe vapours

Do not get in eyes, on skin, or on clothing.

Wash hands thoroughly after handling.

Wear protective gloves/protective clothing/eye protection/face protection.

IF SWALLOWED: rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTRE or doctor.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. Get medical advice/attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Get immediate medical advice/attention.

Store locked up.

Store in a well-ventilated place. Keep cool.

Dispose of contents/containers to a licensed waste contractor.

Contains -

Sodium Hypochlorite < 10%

2-Phenylphenol < 5%

Benzalkonium Chloride < 1%

WARNING

Before use, please read the safety data sheet available on www.pavetuf.com
